

Activity	Activity ID	Activity Name	Activity Description	Activity Objectives	Activity Outcomes
Activity 1: Introduction to the course	Activity 1.1	Introduction to the course	Introduction to the course and its objectives	Understand the course structure and objectives	Students will be able to identify the course structure and objectives
Activity 2: Understanding the course structure	Activity 2.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
Activity 3: Understanding the course structure	Activity 3.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
Activity 4: Understanding the course structure	Activity 4.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
Activity 5: Understanding the course structure	Activity 5.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
Activity 6: Understanding the course structure	Activity 6.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
Activity 7: Understanding the course structure	Activity 7.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
Activity 8: Understanding the course structure	Activity 8.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
Activity 9: Understanding the course structure	Activity 9.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
Activity 10: Understanding the course structure	Activity 10.1	Understanding the course structure	Understanding the course structure and its objectives	Understand the course structure and its objectives	Students will be able to identify the course structure and objectives
